

EISA Championships February 26th, 2021

Sleepy Hollow Inn, Ski and Bike Center: 427 Ski Lodge Dr. Huntington, VT

Schedule of Events:

10AM Men's 10km Classic

11:30AM Women's 10km Classic

Races are individual starts. Timing and Entries by Bullitt timing through Ed Despard.

Teams competing include UVM, UNH, SLU and Clarkson. I will update coaches via text with last minute changes.

Entry fee is \$30 per racer. Please make checks payable to Sleepy Hollow. Happy to send an invoice if you need it.

Only NCAA sponsored teams can compete in the carnival. Teams must be allowed to compete as a team by their Athletic Department and under the schools COVID testing protocols abiding by the NCAA minimum number of tests. A NCAA team Coach must attend the race representing their athletes. All NCAA Sponsored Teams can enter their full roster. Top 6 will be indicated on Bullitt's spreadsheet. No NENSA Quota.

Expectations at EISA races that all team members will abide by:

- Pre-race screening here. <https://www.cdc.gov/screening/index.html>
- On race day the competitors will also be asked by an on-site medical professional if they have any covid symptoms.
- NCAA minimum testing and School testing.
- State regulations for where they attend school.
- State regulations for host race sites. Sleepy Hollow requires all skiers to sign the [ATTESTATION HERE](#) just once per season. Coaches also must be able to produce a roster with each racers email and phone number for contact tracing if needed.
- School will stay in their team pods. There will be no physical interaction amongst teams. All buildings are off-limits to teams except in an emergency.
- Masks must be worn by athletes except when racing. They must wear them when previewing the course Thursday and also while warming up and cooling down. They may only take them down when they are racing.
- Coaches/Race Personal/Timers must wear masks the whole time.
